February 26, 2007

Dr. Ardjmand
4765 Carmel Mountain Rd.
San Diego, CA 93120

Dear Dr. Ardjmand:

I want to thank you so much for seeing my granddaughter, Lauren Freitas, on an emergency. She tells me that you are an outstanding dentist and have a beautiful office. As a token of appreciation, I'm sending you some DVD's that you might find interesting.

You're always welcome to visit Den-Mat in Santa Maria and attend one of our Live Patient Placement courses as my guest, or any of the 2-day programs we present around the country.

I very much want to thank you again, and anytime I can do something to help you, let me know.

Regards,

Robert L. Ibsen, DDS, FACD, FICD
